

CORONA SOLIDARITY SHOPPING LIST

In those difficult times, we need more than ever to take care of each other. If you are at risk (any pre-existing condition or if you are more than 65 year old), please stay safe at home.

If you need anything, write it down on this sheet of paper and stick it to your door. A friendly neighbour will come pick it up and do their best to give you what you need.

Stay safe
